Agenda Item #4 President's Report: No report was given.

Agenda Item #5 Operations Report: Mrs. Steffek reported the following during the Operations Report:

- Water Plant 1, Well #4: Well 4 should be reassembled and ready to have a bac-t sample taken the week of Sept. 15th pending no further complications or broken parts. Due to the length of time the well has been out of operation, it's expected that the process of chlorinating the well and getting a clean bac-T sample will be prolonged.
- 2. Water Plant 2:
 - a. <u>Fence and Drainage Project</u>: Mr. Hess plans to start on the fence repairs and drainage issues the week of Sept. 15th. The relocation of the driveway and neighboring water lines will be addressed later.
- 3. Ground Storage Tank: The tank level gauge guide wire snapped, and Superior Tank has been notified. The repair will involve taking the tank out of service, draining it and buying water from Fayette Water Supply's for a couple days. Superior Tank was asked if the warranty repair could wait until the weather was cooler (so the amount of water being purchased would be less) and that will not be a problem. They've asked for two weeks' advance notice once the district is ready for the repair to be made. Mr. Loehr would like the warranty inspection, as well as the TCEQ annual inspection, conducted at this time while GST2 is empty and out of service.
- 4. <u>Meter Reading Radio / Converter</u>: The district's meter reading radio would no longer take or hold a charge so a new one had to be purchased from Ferguson at a cost of \$1,113.
- 5. <u>Update on Severely Delinquent Accounts</u>: After the last board meeting, at the strong urging of our attorney and with the approval of Mr. Wallace & Mr. Watson, a deferred payment plan was established with all three of the severely past due accounts, for a period of 6 months. At this time, all accounts have made their first delinquent payment plus the current amount due. The board will be updated via email if the September payments are not received on time.
- 6. <u>Mandatory Public Funds Investment Act (PFIA) Training</u>: Mr. Wallace completed his mandatory PFIA training in August. It's required that every treasurer completes the training within 6 months of taking office.
- 7. <u>Amazon Business Account</u>: A tax free account has been set up with Amazon Business and the district is now able to buy materials from them without incurring tax. Previously, this was not possible.
- 8. <u>Chlorine Colorimeter</u>: The district's chlorine colorimeter is not working properly, and a new one has been purchased from Amazon Business at a cost of \$1,004.53. The cost also reflects the purchase of new standards used with the colorimeter.
- 9. <u>Jury Duty</u>: Mrs. Steffek received a Jury Duty Summons for Monday, September 22nd in Lavaca County, and will be out of the office.

Total water produced for the month of August was 3.454M gallons, with the average daily production rate being 111,000 gallons. Maximum water production for one day was 167,000 gallons and minimum production was 55,000 gallons. It was reported that 1,361,891 gallons of wastewater were sent to the City of La Grange for treatment during the month of August. The maximum wastewater flow in one day was 50,259 gallons and minimum flow was 39,580 gallons, producing an average of 42,559 gallons. August rainfall totaled 1.5 inches.

Agenda Item #6 Engineer's Report: No report was given due to Mr. Loehr's absence.

Agenda Item #7 Consider and take appropriate action on adopting the District's 2025 Ad Valorem tax rate of 0.1857 for operations & maintenance and debt service, including execution of the Order Levying Ad Valorem Taxes for 2025: Mrs. Steffek presented the "Order Levying Ad Valorem Taxes for 2025" for consideration and adoption. The board had approved the proposed tax rate of 0.1857 per \$100 of valuation at the August 7, 2025 regular meeting and held a

public hearing at 11 a.m. on September 11, 2025 to receive public comments. The tax rate is broken down into two parts: maintenance / operations and debt service. The portion of the .1857 tax rate that would fund maintenance / operations would be 0.0897 and the portion of the tax rate that would fund debt service would be 0.0960.

Mr. Mike Wallace made a motion, seconded by Mr. Chester Johnson, to adopt the 2025 tax rate of .1857 per \$100 of valuation. The motion passed unanimously with three Directors being present and voting. The "Order Levying Ad Valorem Taxes for 2025" was signed by Mr. Gunn and Mr. Gilmore would sign it later.

Agenda Item #8 Consider and take appropriate action on renewing contract with Fayette County Appraisal District (FCAD) for the collection of the district's Ad Valorem taxes: Mrs. Steffek presented to the Board the contract with Fayette County Appraisal District for collection of the district's taxes. The contract is good for a two-year period from January 1, 2026 through December 31, 2027.

Mr. Chester Johnson made a motion, seconded by Mr. Mike Wallace, to approve and execute the contract with the Fayette County Appraisal District for collection of the District's Ad Valorem taxes, for a two-year period from January 1, 2026 to December 31, 2027. The motion passed unanimously with three directors being present and voting.

Agenda Item #9 Consider and take appropriate action on generator relocation project and/or maintenance provider: The board developed a plan to move the generator to the office and to place it in the backyard the morning of October 9, 2025, prior to the next board meeting. Ms. Terra Williams provided Mrs. Steffek with a list of two individuals at Inframark who could provide a cost estimate for the quarterly PM of the generator. Ms. Williams will also look into having the district's birdnest spreadsheet amended to include a column for generator testing since the district's operator would be performing weekly testing. Mrs. Steffek will present two cost estimates for comparison at the October meeting.

Agenda Item #10 Consider and take appropriate action on items to be placed on the next agenda: Items were identified and placed on the agenda for the regular Board of Directors scheduled for Thursday, October 9, 2025 at 11 a.m. at the District office, located at 100 Country Club Drive, La Grange, Texas.

There being no further business to come before the Board, Mr. Chester Johnson made a motion, seconded by Mr. Mike Wallace, to adjourn the meeting. The motion passed unanimously with three Directors being present and voting. The meeting was adjourned at 11:49 a.m.
